

Volunteer Info

Fall/Winter 2026

In our **small** school in this **small** community there is only a **small** amount of people to do ALL the tasks. We have many fun events to enrich our student's experience and the only way to pull it off is when **everyone** lends a helping hand.

"Many hands make light work"

We ask every family to volunteer their time and we will work hard to find tasks that match your schedule and interest!

We especially need help in the Oct-Dec when 3 large events coincide at a busy time of year: the Wreath Sale (our annual fundraiser), Holiday Bazaar, and Winter Performance.
